

Interuniversity Test of Academic English

ITACE FOR STUDENTS: WRITING TEST – sample tasks

The writing test consists of two tasks. You have **max. 1 hour** to complete **both tasks**. Your text should contain all elements described in the assignments. Feel free to add or invent any additional information that you consider relevant.

You can use all MS Word functions, but other aids (dictionaries, internet, etc.) are not allowed.

Task 1: write a 100-word email

Contact your university's international office to request information on language courses available at the university. Write a well-structured, polite, formal email of ± 100 words in which you introduce yourself and explain what kind of course you would be interested in and why.

Task 2: write a 150-word formal text

Write a 150-word formal text to include in an application for an international Master programme in your field. Your text should be the answer to the following question in the application document: "In what way can this Master programme be a useful complement to your Bachelor degree?"

Please ensure that your text is transparent and well-structured.
